N2 SPIRIT!

Flashback!

Greyhounds roll back into the 70's and 80's to celebrate "Old School" day during Homecoming Week '99.

Could it be the "Mod Squad," Version 2K?

The look of glamour and style cannot be outdone, especially if a polyester, floral print dress and a "Superfly" hat and leather coat are in the running!

A Blast in2 the Past!

N2 Kangols and Applejacks!

Corduroy suits, "pleather" jackets, and stone-washed jeans in 2K? These Greyhounds are lost in a time war, but enjoying Spirit Week is the most important thing.

Proud 2B Loud!

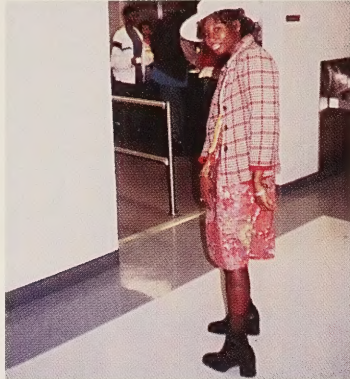

A green leather jacket and a gold tooth, black pumps and red socks, a blonde wig and a blue floral dress and WHAT'S THAT! Some auto-graphed acid-washed jeans! Make that statement, Greyhounds!

"Romey Rome" is in the House!

More "pleather" and polyester to make "Oldies Day" a huge success. It just proves that the old Greyhound spirit is here to stay!

"Puff Mommas" and the Krew!
Oldies Spirit is contagious!

Whatchu lookin' at?
Probably that big ole hole in your support hose! Greyhounds go "all out" for "Mix and Match" day, as displayed by Shakiba Grant.

Double Trouble in Denim!

"Twin" Day proves exciting for Ashley Brown and Tanisha Jones as they sport their denim outfits and strike a pose for the camera.

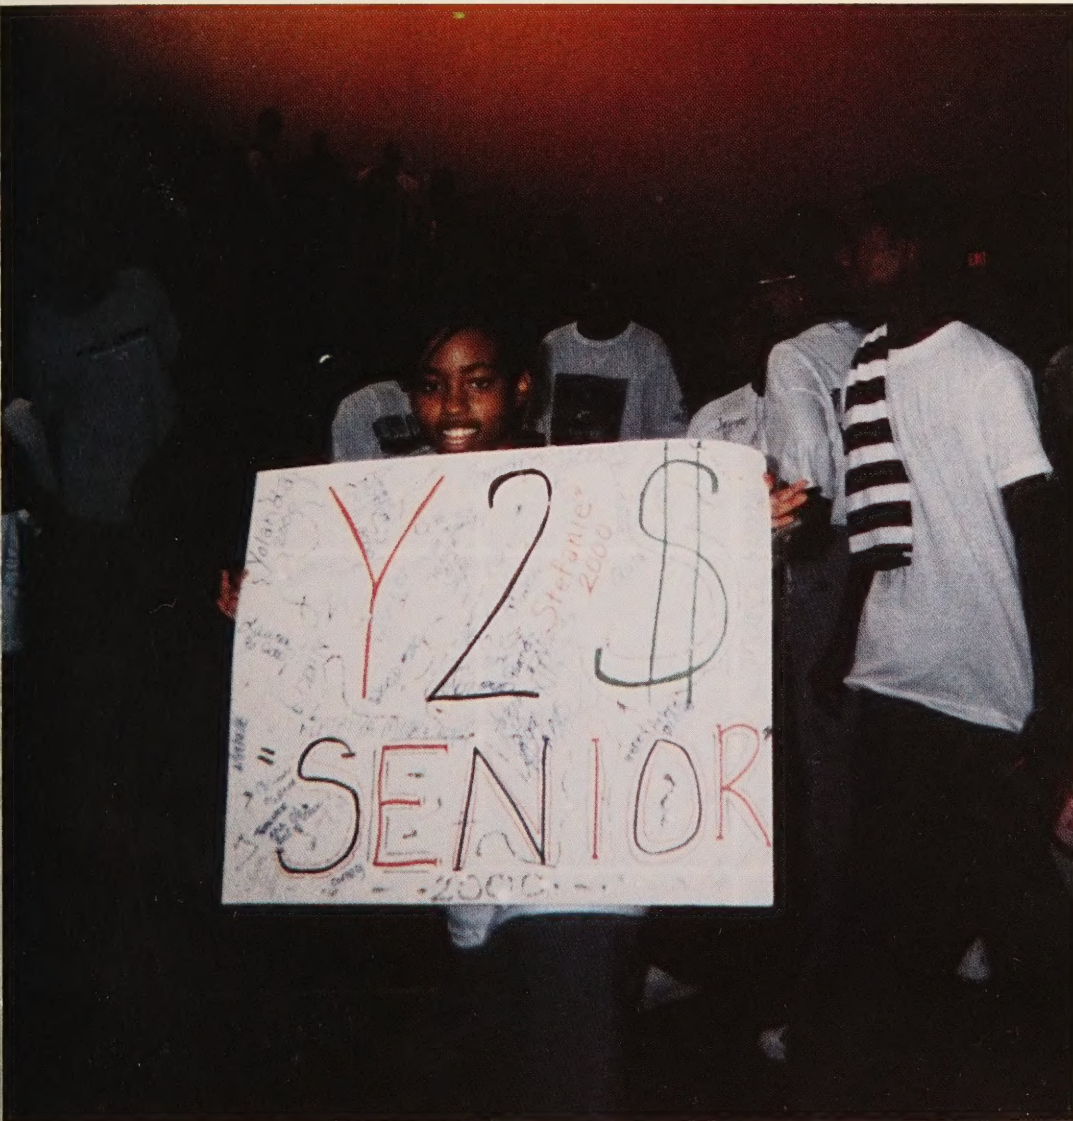

Plaids and Stripes, Forever!

The camera focuses in on Marvin Lamb and Mallory Smith (and we TRY to focus in on them)!

Seniors!

The Class of Y2K sends the 90's out in style!

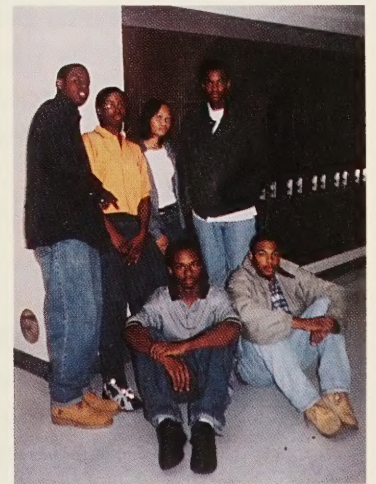

Senior Spirit!

Lashana Montague tries to ensure that the seniors win the Spirit Stick at the first pep rally of the school year.

Check out this campus!

The Access Office is a senior's "second home," especially if going to college is on the agenda.

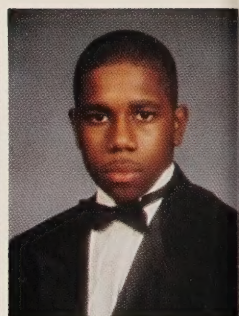

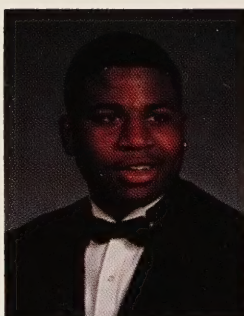

Come on, now!

Senior Marching Greyhounds try to be "thorough" and refuse to crack a smile for the camera.

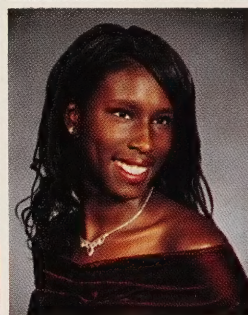

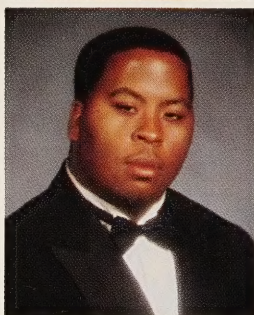

English 12 is no joke!

Willie and Ricky engage in deep thought as they attempt to complete a class assignment before the bell rings.

Homecoming '99

Desirre & Ammon "shut down" '99 as King & Queen!

Desirre is crowned!

It was a joyous and precious moment, as Desirre Britt is crowned Miss Homecoming '99 by Miss Homecoming '98 Ebony Bullock.

Miss Homecoming Contestants

During the week of October 18, Greyhounds cast their ballots to select Miss Homecoming. Female contestants were Latoya Wright, Desirre Britt, Crystal Wimbush, and Justina Jones.

Mr. & Miss Homecoming '99!

Ammon and Desirre receive a standing ovation from Greyhounds fans in the bleachers.

Mr. Homecoming Contestants

Elegantly defined were Norccm's contestants for Mr. Homecoming. Matthew Punsalan (escort), Howard Vass, Ammon Norman, and Troy Scott were in the running.

Little Beauties

Little Miss Corbin Smith and Master Anthony Tetterton bear the tiara and crown for our winners.

A "Classy" Affair!

NHS "clicks on" class spirit for Homecoming '99!

Let's "BOOT UP"!

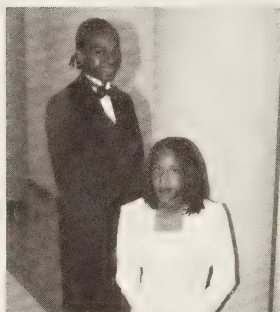

Senior Drum Major Cedric Jones needs no "help" leading the band on the field during halftime on Homecoming night.

Greyhound Spirit is CONTAGIOUS!

Once the "virus" gets n2 your system, it's impossible to wipe it out! Sophomore majorette Anya Holland is excited to be a part of it all!

Talkin' 'bout SPIRIT!

Greyhounds, past and present, look forward to taking part in annual Homecoming festivities.

Go, Asia! Go, Asia!

As the horns blow on, sophomore Asia Powell is all smiles as she and hundreds of other Greyhounds celebrate Homecoming in Kellogg Field House.

SOLs count and so do freshmen!

Contrary to popular belief, freshmen do understand what it means to have Greyhound pride. These freshmen are getting some ideas about how they plan to win the spirit stick.

That's right, Truckers! Read it and weep! Our victory over P-town rival Churchland sent the Truckers back home out of gas.

For most of the Homecoming game, the Greyhounds had their hands on the pigskin. Offense was the name of the game!

Can't catch me 'cause I'm a Greyhound! Offense does it again, as the Greyhounds defeat Churchland 42-0 on Homecoming night.

Juniors

The Class of 2001 (the real millennium?) accepts the Y2K challenge.

N2 Our Jobs!

Chris Ricks and Stefanie Mills rehearse a new marketing strategy as BK employees. They've learned that teamwork and job satisfaction go over well with customers.

"Public Enemy Class of 1, 1, 1, 1!"

Zero 1 isn't coming fast enough for these juniors. They want the world 2 know that they are the "real" millennium bugs.

Let's go, DEFENSE!

Number 51 Joe Vinson is the "center" of attention, and Officer Booth feels the need to give him a reality check B4 Friday's game.

The Spirit Stick belongs 2 us!

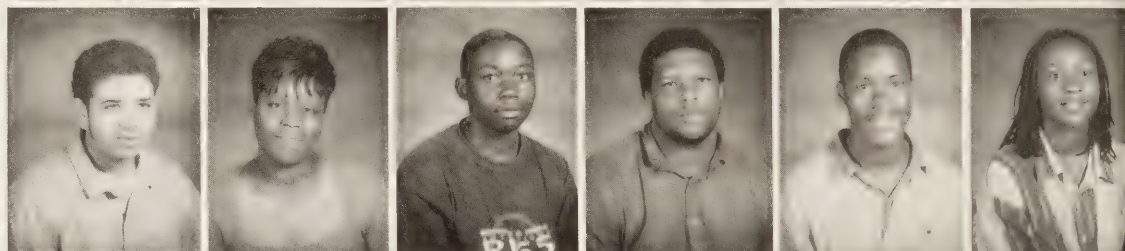

The class of 2K + 1 is ready to rock the fieldhouse!

Preparing 4 Success

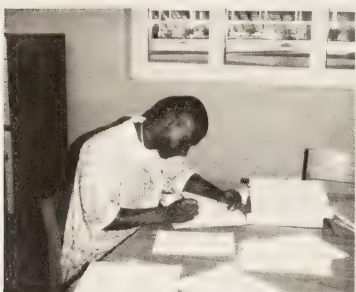

Greyhounds get ready for success in 2000 and beyond

Eager 2 Learn

In the classroom setting, Greyhounds are motivated, open-minded, and receptive to instruction from their teachers.

The "WRITE" Timing

Completing research papers is inevitable. Facing the challenge is the ONLY way to go!

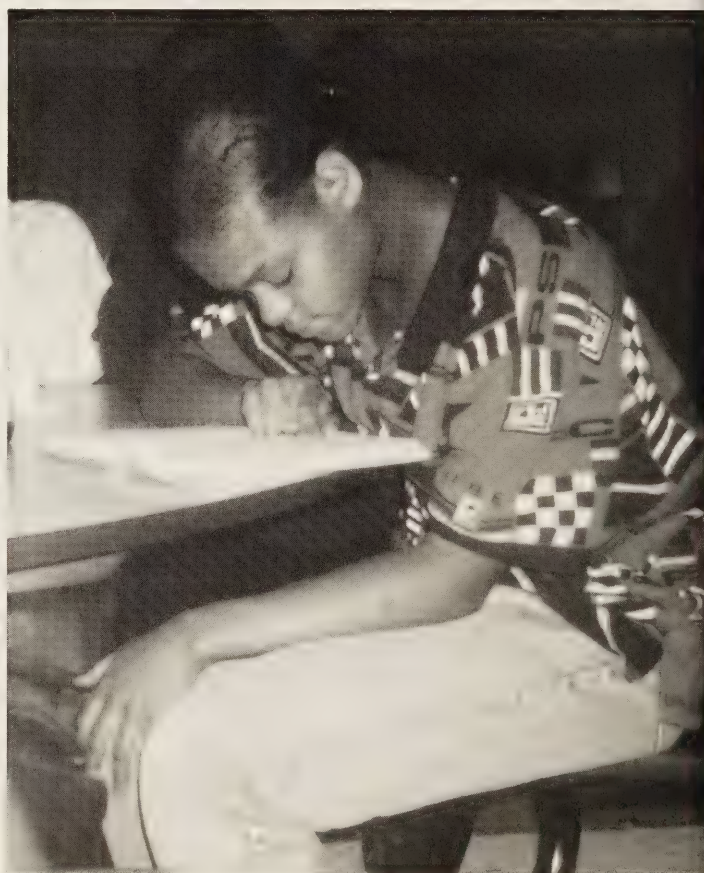

Together, We Succeed

Working together is a MUST when completing projects. Could these classmates become future business partners?

No Time 2 Eat

Sometimes it becomes necessary to briefly push aside the pizza and fries in order to study before next block's quiz.

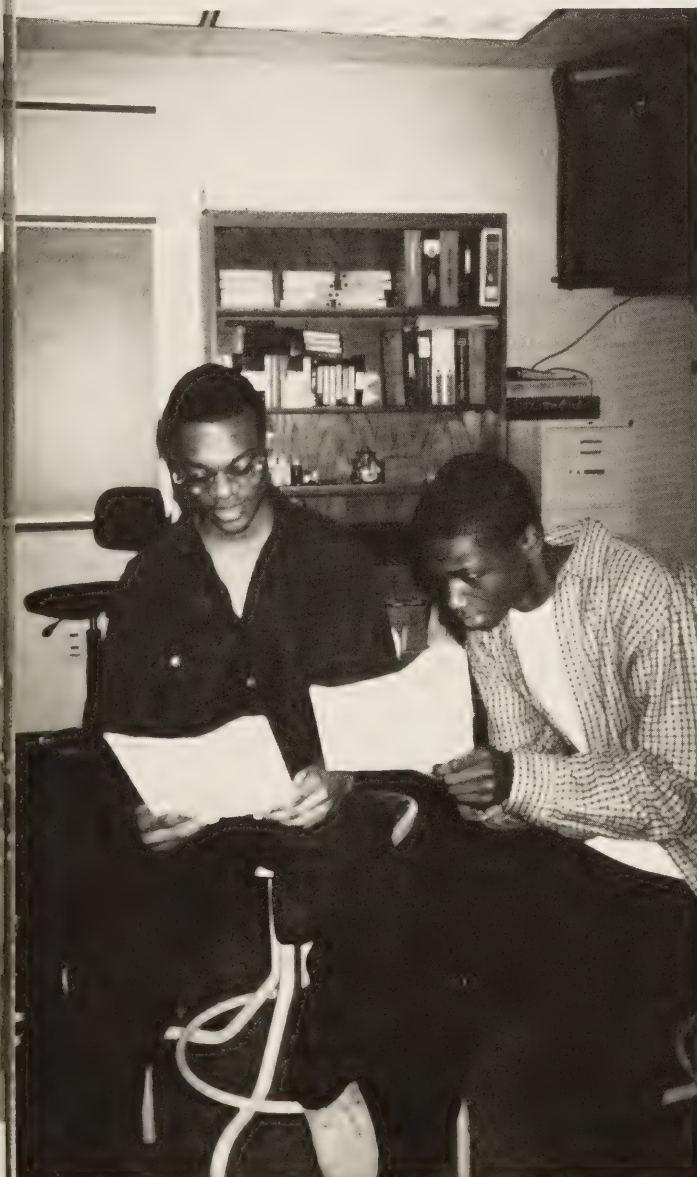

Great Minds, Great Ideas!

When creating a collage, two heads are better than one when appreciating fine art.

"Hands On Technology!"

Learning to use the computer and various software programs is the "key" to the future.

"Building the future"

Mechanical Drawing students of today prepare to be the architects and engineers of tomorrow.

Sharing the wealth of knowledge!

Collaborating on thoughts as well as exchanging ideas and views will create leaders of the future.

A Day in the Life of a Greyhound

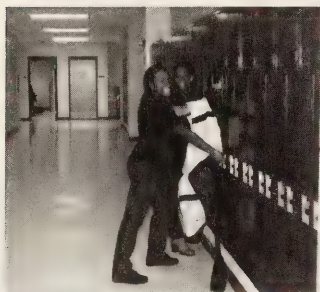

Around the pound, life is everything but dull!

No more sugar for me!

The cafeteria is used for more than just dining. Some of the day's funniest moments are made while standing in the lunch lines.

Where are you, Mr. Booth?

Those notorious locker jams frustrate everyone, from freshmen to seniors, and keep our beloved security officers all over the building.

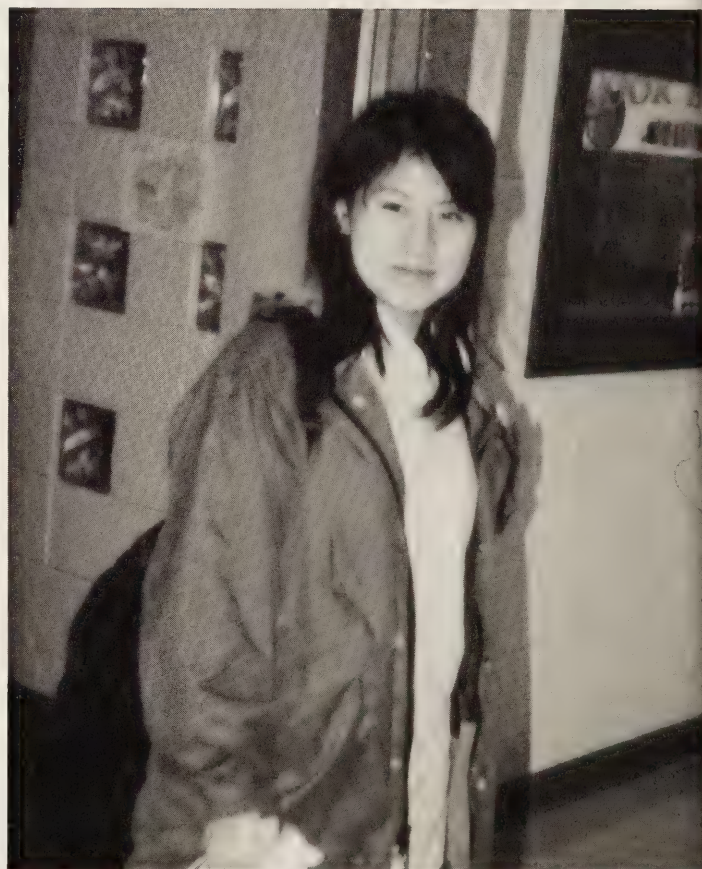

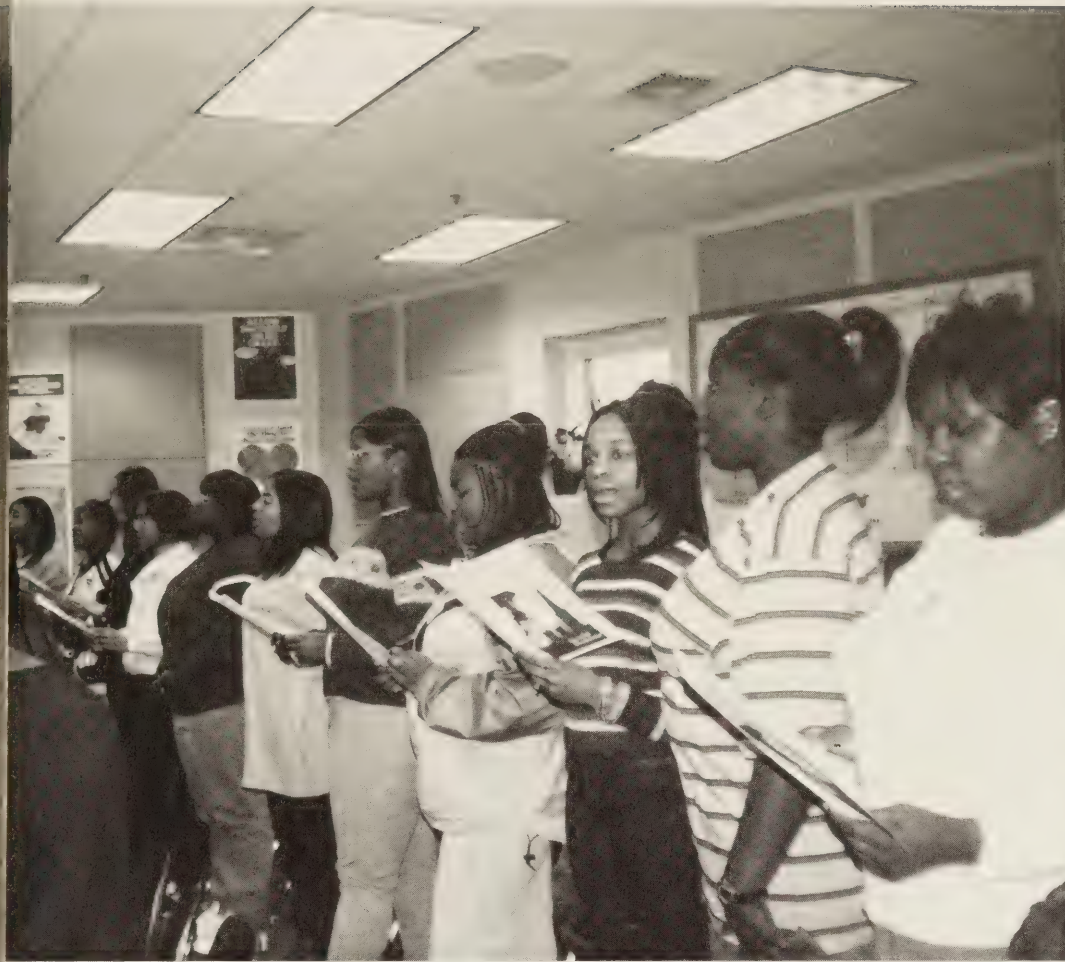

Chills and Drills

The monthly fire drill couldn't have happened at a better time, but once cold weather hits, this will be a different story.

A Friendly Exchange

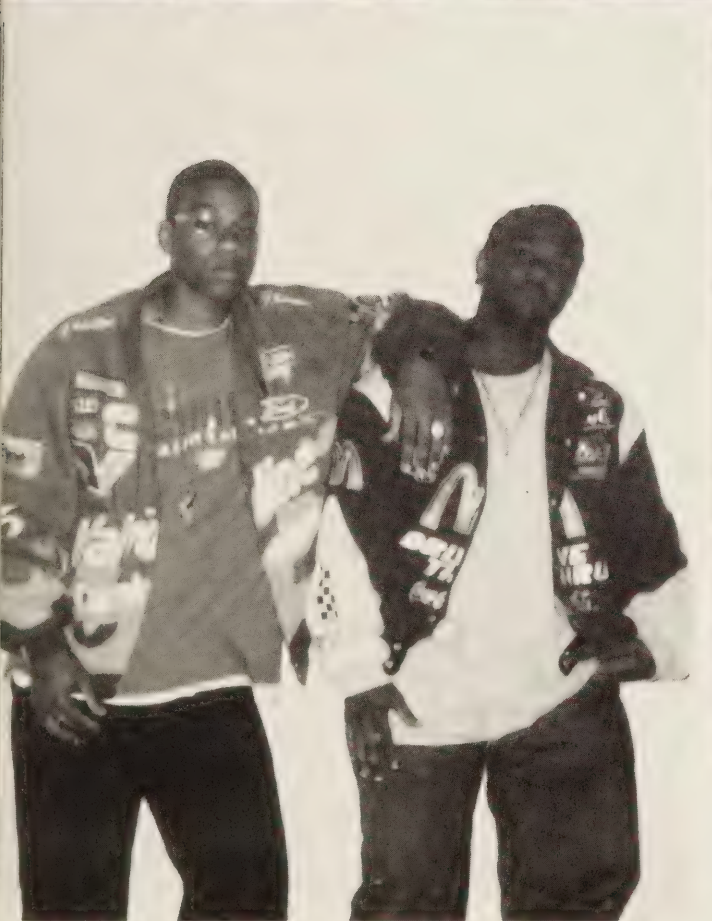

Japanese exchange student Kaoru Hojo exits the media center after experiencing a day in the life of a Greyhound. What a wonderful experience!

Chorus is taking it to another level!
All that hard work is about to pay off. I.C. Norcom's vocal talent strives for nothing but #1!

Norcomites pause for a good cause.
The Spring 1999 American Red Cross Blood Drive proved to be one of the best in the ICN's history. Students rolled up their sleeves and gave generously to help someone in need.

We profile, too!
Not only are hard work and good grades important, but stylin' and profilin' are at the top of the list as well.

How can we help you?
If you need it, we have it! During lunch, students use their time wisely to pick up a few needed supplies from the Greyhound Mart.

Life After the Bell!

The Life of a Greyhound doesn't end at 2!

A view after 2

Each day, buses line up outside the bus ramp, ready to transport Greyhounds to destinations all over P-town.

Let's roll!

At the sound of the 2 o'clock bell, it's time to hit the road, for students who drive to school.

Last check for tonight's assignment
Seniors share helpful hints for completing their homework exercise for Mr. Twine? Mrs. Watson?

Even at home ...
Greyhounds proudly display the MAROON and the GRAY!

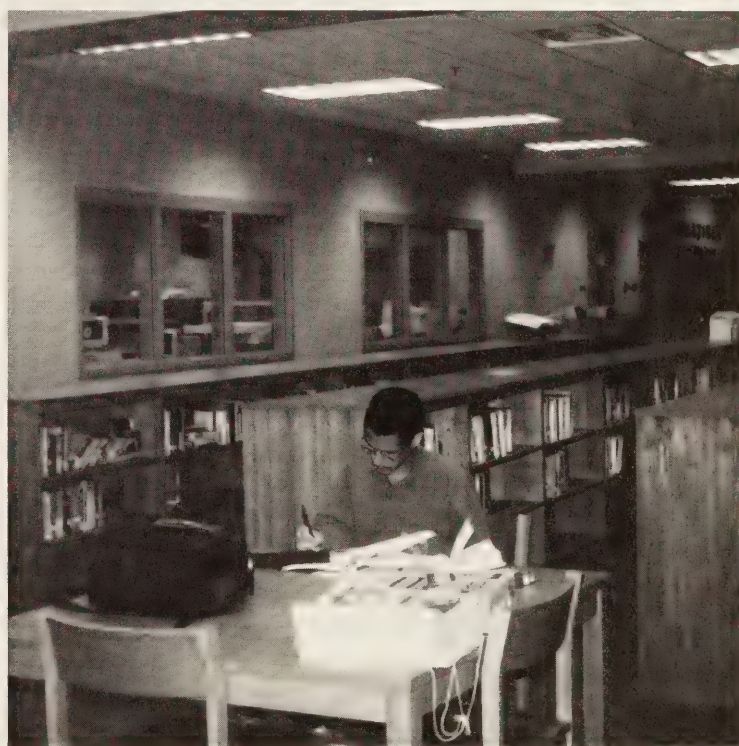

Mr. Clean, Mr. Clean!

When there's nothing else to do, chillin' at the laundromat (while washing a few loads) can be a fun thing.

Hi, Sisters and Brothers!

I.C. Norcom students participate in many outside organizations. Xinos and Kudos are just a few.

"Weighting" for good results

After school, weight training is a must for many athletic programs, especially football, basketball, and wrestling.

Lights out at 3:45!

The school library is a great place to study after 2, but if you're too quiet, you may end up spending the night. Shhhh!

"It's a Family Affair"

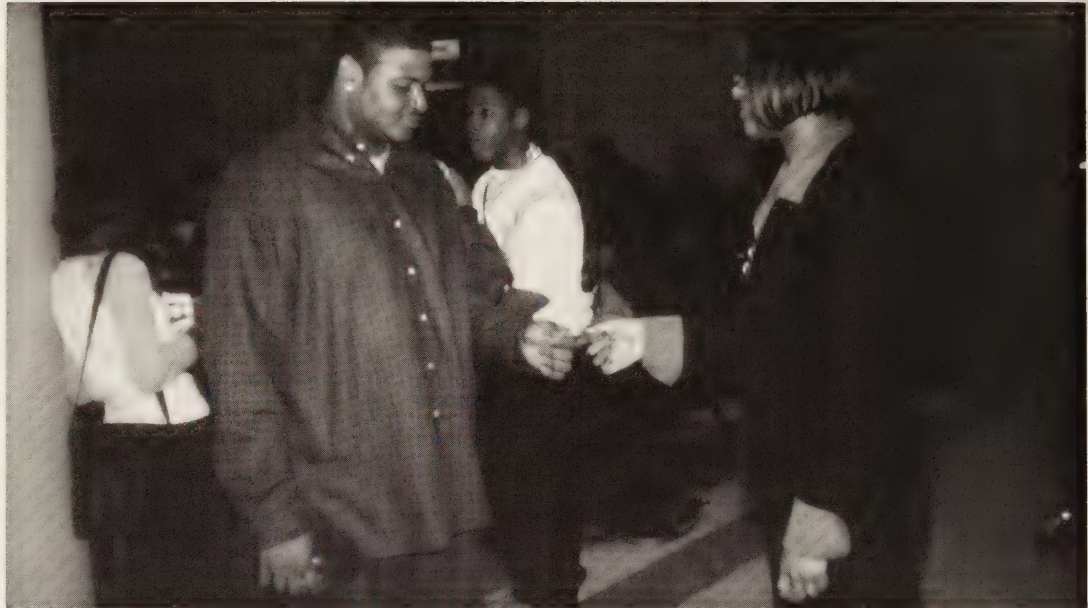

Greyhound Pride is a Family Tradition!

Alumnus and Sister

Senior Shameka Williams gives her brother Larry, a 1999 Norcum grad, a visitor's pass, as he returns home from college to visit old friends and teachers.

Twins to the rescue!

Seniors Carl and Carlos Seward can always be found doing something constructive for the sake of their Alma Mater.

Following in Big Sister's Footsteps

Brian Collins (Class of 2001) is right "on the heels" of his sister Rondalyn (Class of 2000).

"Sister, Sister

This is my baby sister!

Bonita Moore lovingly embraces her no-so-enthusiastic younger sister Rosalyn. Bonita and Rosalyn come from a family of loyal Norcom supporters.

Kimberly Riddick: Our Family Tradition

A family affair indeed! The I.C. Norcom tradition is often passed down from generation to generation and is hard to be broken. A host of my own family members have attended this school and all have walked away from this institution embodying more pride in themselves as well as the school. When my sister and I attended simultaneously (her senior year and my freshman year), it was fun to have the opportunity to share an unforgettable year with my sister at my side. This is a tradition not only in my family but in many others. It is not odd to find sisters, cousins, to even an aunt and niece conversing in the halls. Even if family members aren't attending now, the family's lineage can often be traced through the grand doors of I.C. Norcom High School.

After-school rehearsals

Preparing for special events makes attending mandatory rehearsals a normal part of being an outgoing student.

Fundraisers

At some point in a student's life, selling candy or participating in a car wash is inevitable. On this special occasion, SCA members capitalize on the spirit of Homecoming by promoting spirit corsages.

Showtime!

After hundreds of hours of after-school practice sessions, summer camp, and impromptu rehearsals, it's time to give spectators the show they've long awaited!

Alumni

*I.C. Norcom's Alumni Association
keeps the PAST a part of the
FUTURE in Y2K!*

One of the strongest in the region, the I.C. Norcom Alumni Association strives to maintain the dignity and honor that have, for so long, defined this great school. The Alumni Association continues to play a vital role in preparing the I.C. Norcom High School family for what lies ahead. Each year, dedicated members work diligently to promote, sponsor, and assist in activities that bring awareness and place a profound impact on the community and the Norcom family.

This year's highlight was the dedication of the Junius Kellogg Fieldhouse.

Kellogg, a 1945 graduate of Norcom, died on September 16, 1998, at the age of 71. Kellogg became nationally recognized for revealing a controversial point-shaving scam while playing basketball in college in 1951. Members of Norcom's Alumni Athletes Association lobbied to name the school's gymnasium after Kellogg so that the gym will be a symbol of honesty and integrity for Norcom students.

The dedication of the Junius Kellogg Gymnasium is just one of the many acts of loyalty and commitment that the I.C. Norcom High School Alumni wholeheartedly undertake each year.

In attendance at the gymnasium's dedication were Alumnus and Mayor James W. Holley; former Virginia Governor L. Douglas Wilder, keynote speaker; and Superintendent of Portsmouth Public Schools, Dr. Wilbert Hawkins.

Former teammate Geese Ausbie was also in attendance. Ausbie donated a Harlem Globetrotter uniform to I.C. Norcom in honor of Junius Kellogg.

Many Norcom Alumni, students, city leaders, friends, and family were on hand to witness the dedication of the gym. Former teammates traveled from as far north as New York and as far south as Florida for this grand occasion.

You can't hold me! I'm as fast as lightning.

Holding back the opponent proves success for the young Greyhound.

Amazing blocks are made as G.A. proceeds up the field. Look at him run!

Field Hockey Captain Myoshi Lawrence has no mercy on her opponents during this contest.

Shemia Ramsey whacks the ball down the field as the referee looks on.

Tazashia Burns refuses to allow this Pilot to get any closer to the goal.

It's "shark-eating territory" if the opponent tries to get any closer.

The team listens attentively to their coach as they plan their next strategy.

Defending the goal and scoring points for the Maroon and Gray are the "goals" of the ladies who play ...

Field Hockey

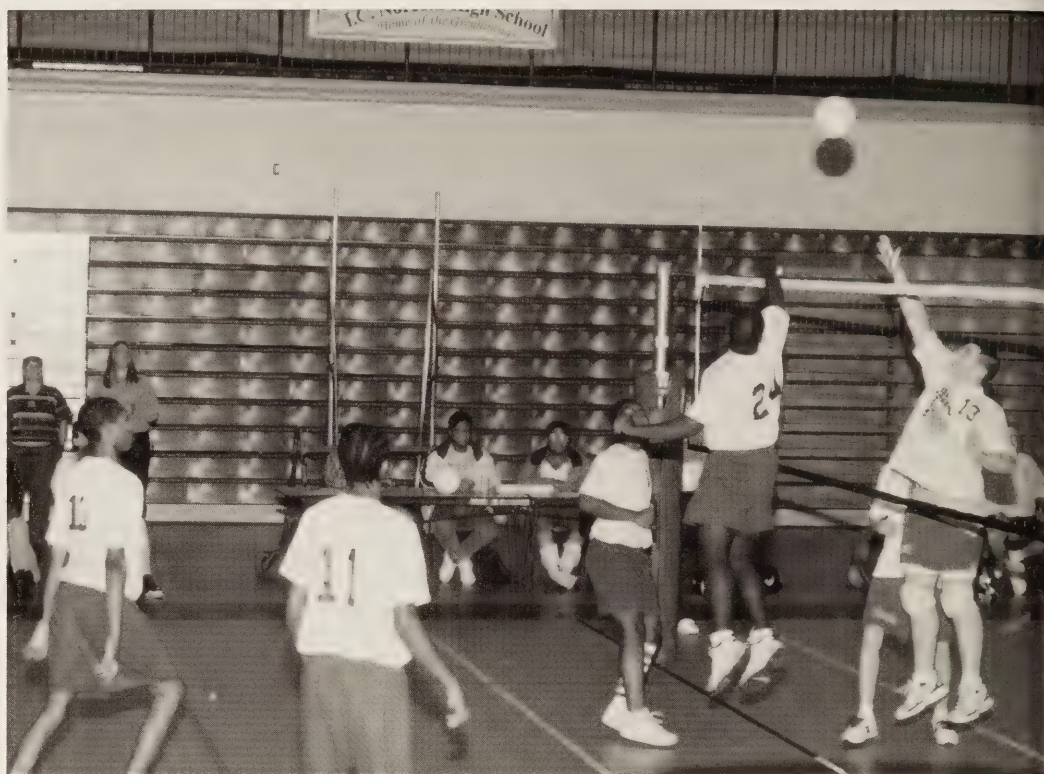

The Boys and Girls Volleyball teams are all about “netting” points against the challenger.

Volleyball

As the volleyball teams continue to gain experience, they have become two of the most promising teams at Norcom. Members of the Girls team are: Phedra Freeman, Shaia Barner, Robin Lacey, Shereen Herbert, Stephanie Smith, Shawneque Reid, Coach Younkin.

Theo Williams “serves” the Presidents plenty of competition.

Otis Johnson sets up a volley that is sure to give the opponents trouble, while Charles Crocker and Alvin Boone hope they’ll have a shot.

The men’s team takes a second to keep their status in the game “in bounds.”

In volleyball, the Lady Greyhounds show boldness, precision, and skill.

The Girls Volleyball Team

What skills! James Hardy patiently waits for the ball to come directly to his racket.

Is that Serena Williams? Maybe in a few years. Marlena Godette concentrates on the moves of her opponent.

Light on her feet, Eunice Smith definitely has a "love" for tennis.

The Boys Tennis Team

The Girls Tennis Team

Quick moves and intense training make these tennis teams un"match"able!

Boys and Girls Tennis

Members of both the boys and the girls teams take their talents to the limits. Members and coaches of the men's team are: (Top Row) Craig Lyles, James Hardy, Barry Williams, Coach Wright. (Bottom Row) Rodney Beckner, Robert Wesson. Member of the ladies' team are: (Top Row) Kia Green, Eunice Smith, Michelle Cooke, Christina Gaymon, Maricha Copeland, Shannon Hunt, Coach Blount.

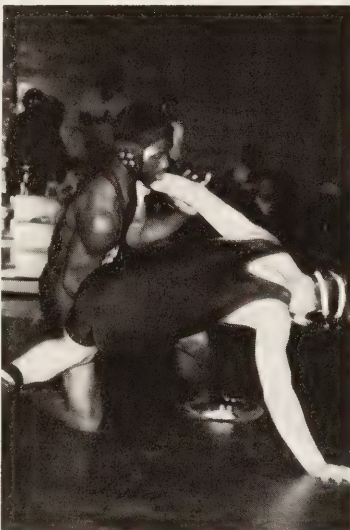

Excellence prevails as Norcom wrestling remains "ON TOP."

Wrestling

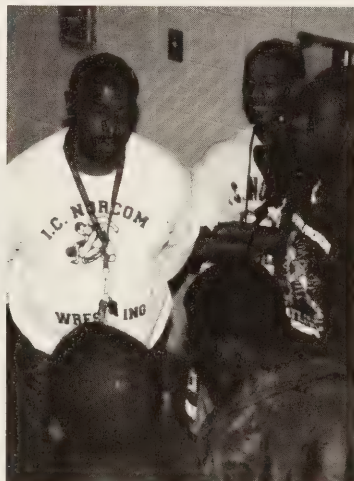

During the 1999-2000 season, our Wrestling team was fortunate enough to have ten athletes advance to the Eastern Region Championships. All performed to the best of their abilities to come out on top. The reward of hard work shows through their competition. The Wrestling team include Coach Burton, Lamonte Jett, Antwan Williams, Anthony Gallop, Chudi Uriah, Chris Weal, Torrey Hinton, Dontae Hill, Sher'mon Miles, Otis Johnson, Joshua Cooper, Coach Fuller, Jason Chambers, Joshua Puryear, Joshua Clay, George Jones, Shawn Hickman, Chris King, Kareem Smith, Andrew Hinton.

The 1999-2000 Wrestling Team

With no problems, Antoine Wynn puts his competition in a bind.

Kareem forces his opponent to take drastic measures.

A chat with Coach Fuller proves successful for the team.

Jason relentlessly fights for position, much to the dismay of his opponent.

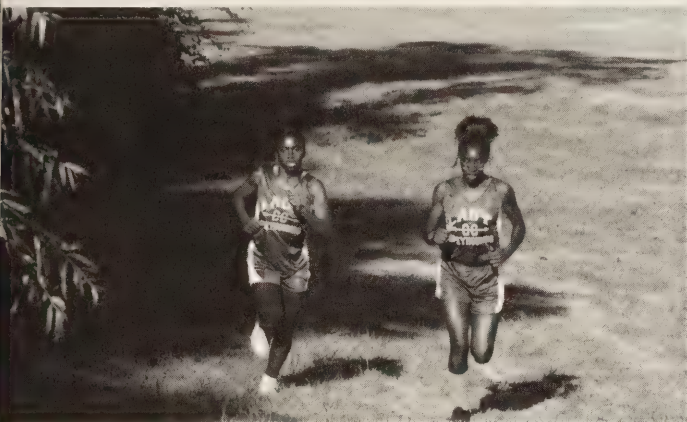

Alea concentrates on the task that awaits her, crossing the finish line in style.

Matthew Punsalan seems hyped to reach the finish line, flying solo.

With two miles to go, Steven paces himself to keep up his strength.

Nakia Goodman and Tinina Thompson stay in the running.

The Boys and Girls Cross Country Team

Running Cross Country is a "world class" adventure.

Cross Country

The Girls Cross Country team finished the season 4-3. The Greyhounds placed fourth in the Eastern District meet. Rookie Sophomore Nakia Goodman placed in the meet and went on to compete in the Eastern Regional competition. Members pictured are: Steve Adams, J. Gibson, Matthew Punsalan, Antwan Coley, Shari Wilkins, Krystal Belfield, Nakia Goodman, Alea Maye, Carla Johnson.

Boys Basketball

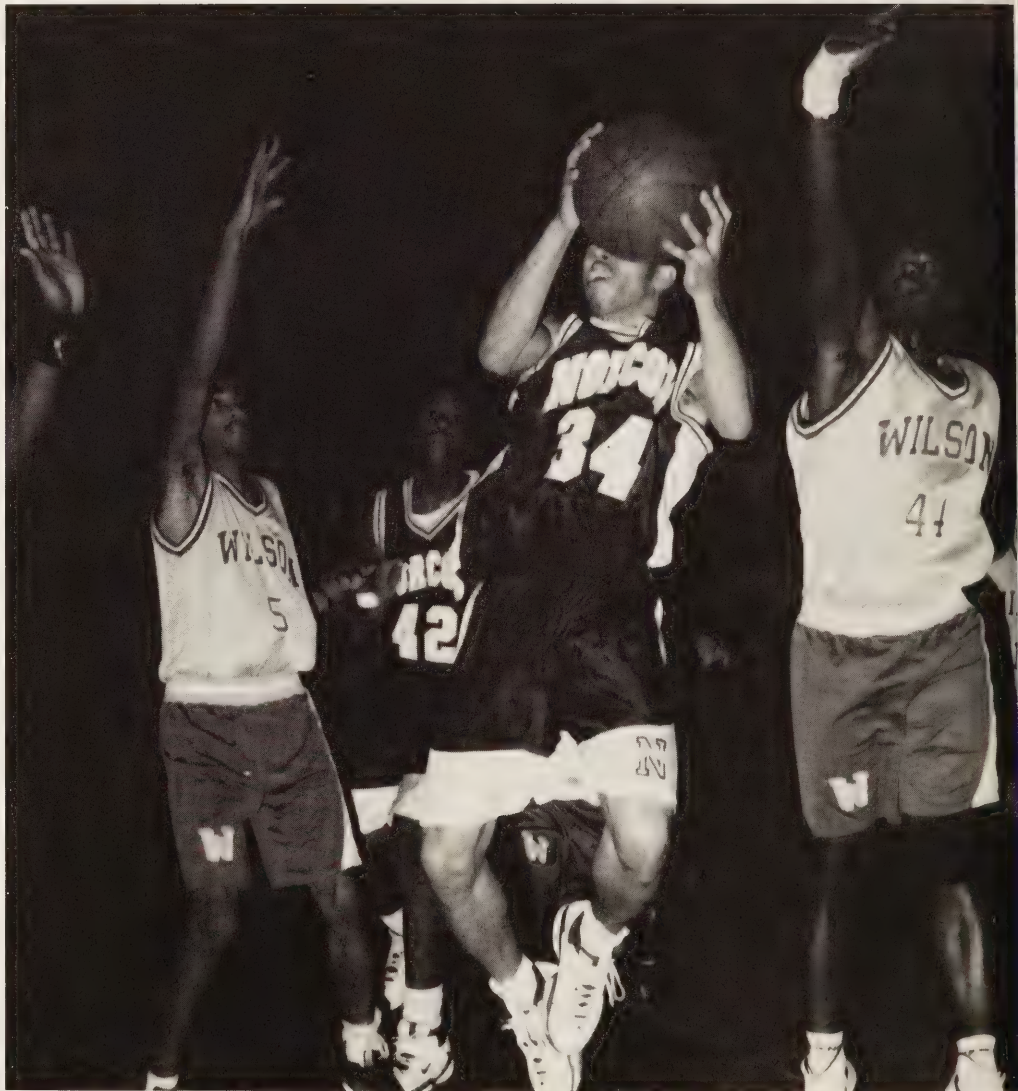

This "airborne" Greyhound gives tators a one-man show!

*Skills, agility,
and
teamwork

Norcom's
Boys Varsity
Basketball
team the
"driving"
edge.*

Number 34 "impeaches" the Wilson Presidents as they attempt to block his shot.

Aside from having an exciting season, our men have managed to stay alive, despite their extremely challenging year. The roster for the team includes: Kenneth Peoples, Jerry Puryear, Oris Key, Quentin Armstrong, B.J. Stevenson, Earl Alston,

Ray Carver, D.J. Johnlouis, Coach Honore. Michael Bremby, Charles Crocker, Jovan Jones, Johnathan Drake, Mark Anderson, Curtis Watts, Chris Ricks. These men deserve our support for their undying determination.

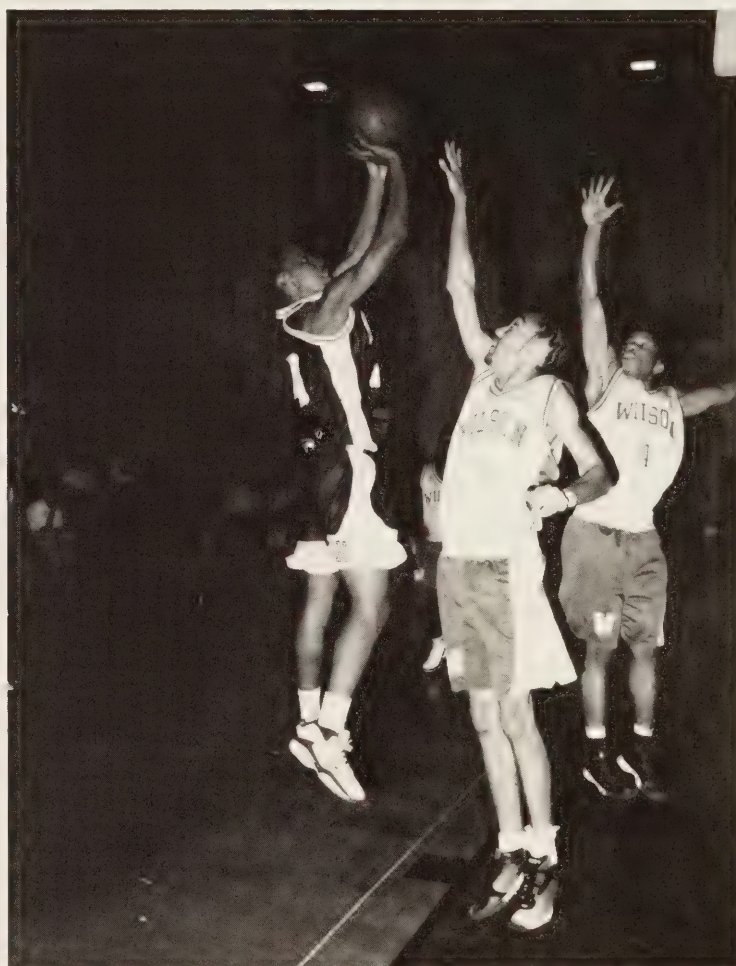

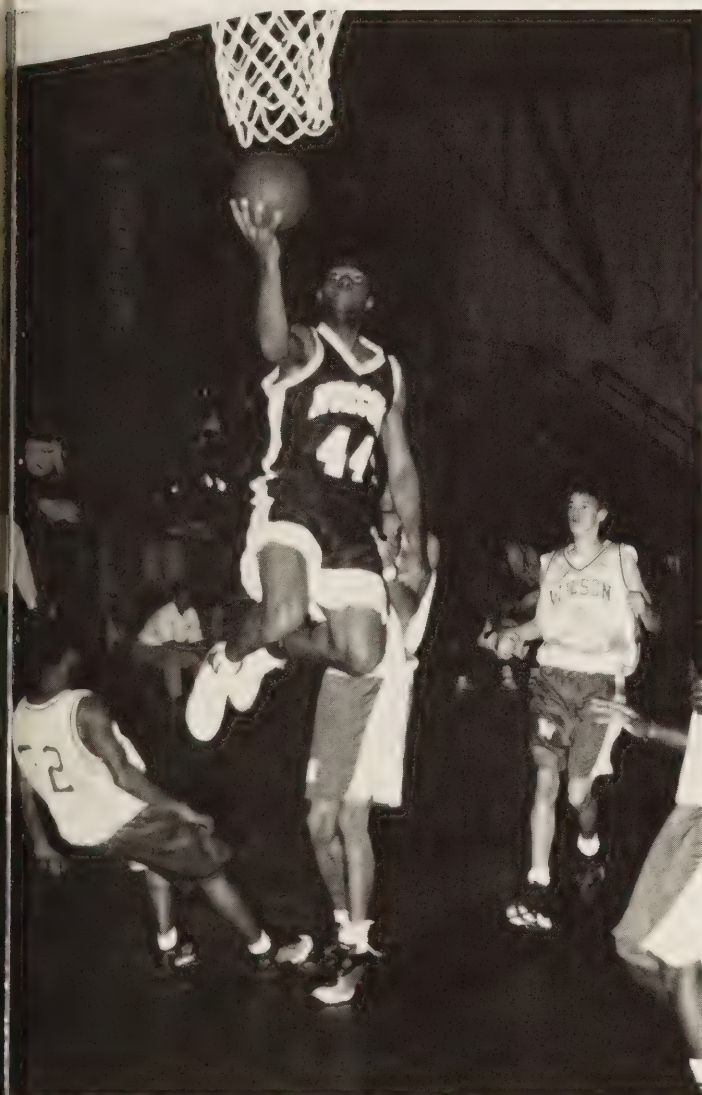

Look out, NBA! This Greyhound B-
baller will be landing soon!

The 1999-2000 Boys Varsity Basket-
ball Team

Determined to "declare war" on the
Presidents, number 45 fakes a move
on the opponents.

A whole lot of turbulence is involved
with this fight! All the competitor can
do is sit back and take notes!

Check out these moves, Buddy. The
Greyhounds allow gravity to work in
their favor.

Girls Basketball

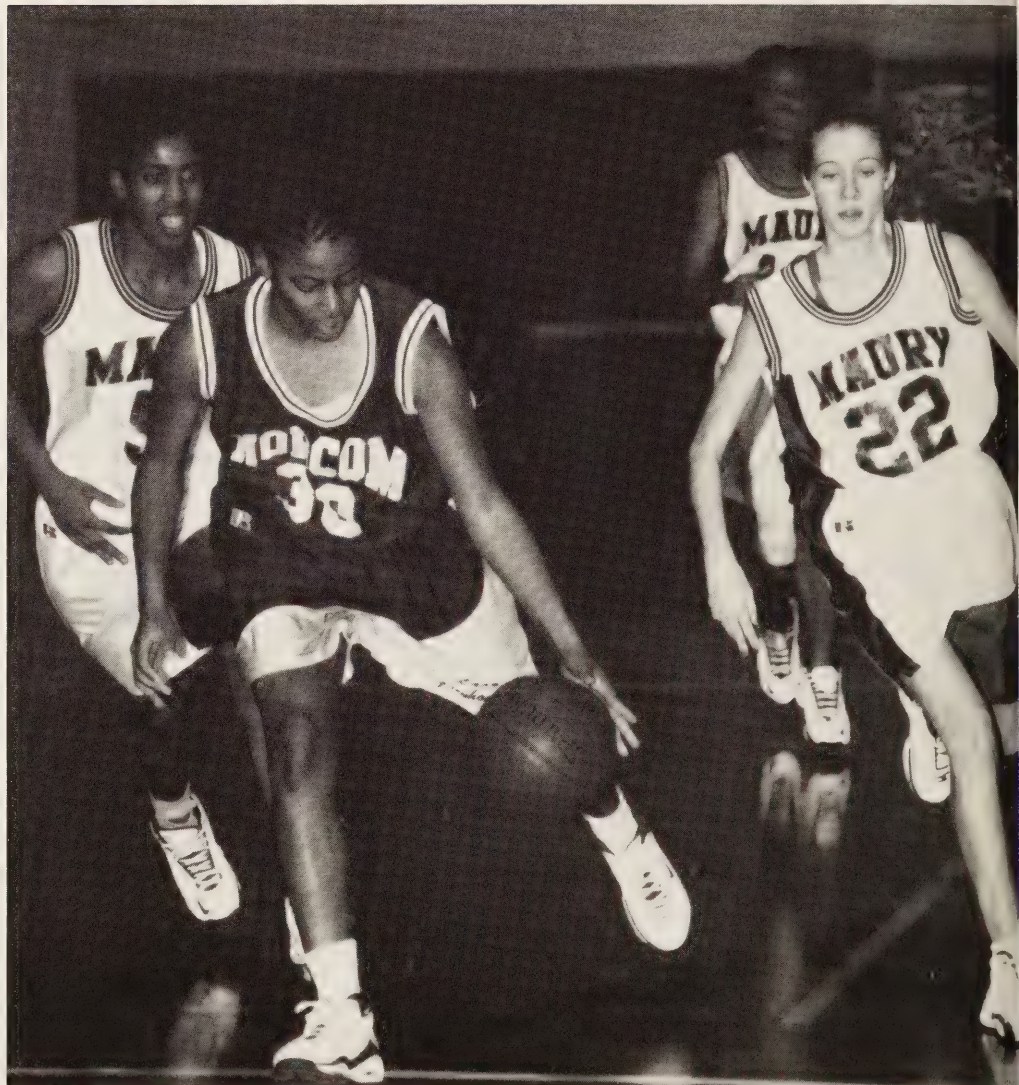

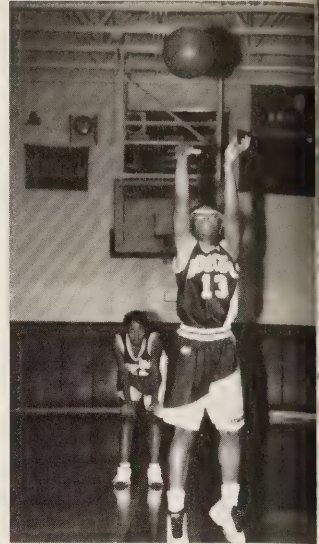

A free-throw attempt is successful number 13.

*Norcom's

season with a
winning
record.*

Keeping' up can be
mighty rough, When a
Lady Greyhound does
her stuff!

The Varsity Girls team rebounded from last year and ended up with a winning season. The Lady Greyhounds went 11-10

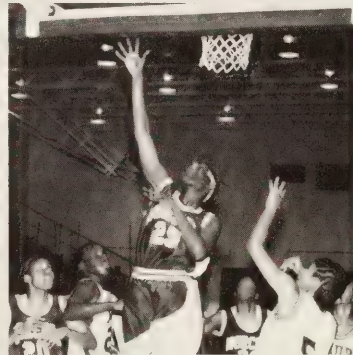

this season. Coach Danny Hill was named Portsmouth's Basketball Coach of the Year.

Let's sink those Commodores!
Total control defines this game.

The 1999 Girls Varsity Basketball Team
Proud of their accomplishments, these ladies strive for perfection every step of the way. Team members and coaches include: Coach Clark, Stephanie Smith, Amanda Wiggins, Krystal Bellfield, Christina Gaymon, Shereen Herbert, Coach Danny Hill, Tiffany Mack, Nicole Waters, Lakuana Fields, Nicole Johnson, Shari Wilkins, Tiffany Davis, Donalle Bennett, Vernae Bolter.

Portsmouth's B-ball Coach of the Year
After a successful season coaching the Lady Greyhounds, Coach Hill is to be commended for re-capturing team spirit among the ladies.

Skyscraping Action!
Shereen Herbert towers over Maury, who seems unable to handle her moves.

Quick maneuvers and a Fast Break!
Number 24's moves leave Maury in suspense.

Boys and Girls JV Basketball

"Talent in the Making"

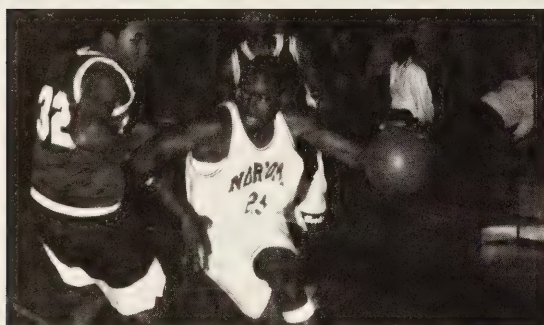

The 1999-2000 Boys Junior Varsity Basketball Team

As a very young but ambitious team, the JV boys remained diligent in their attempts to uphold high standards for I.C. Norcom High School. Players and staff on the team are: Paul Drake, Ryan Raby, Christopher Edwards, Tayshawn Edwards, Joseph Loveless, Ricky Styles, Geronimo Sutphin, James Smith, Coach Cook, William Wiggins, Isaac Washington, Gamalie Norman, Michael Duzant, Daniel Pope, Cameron Mason.

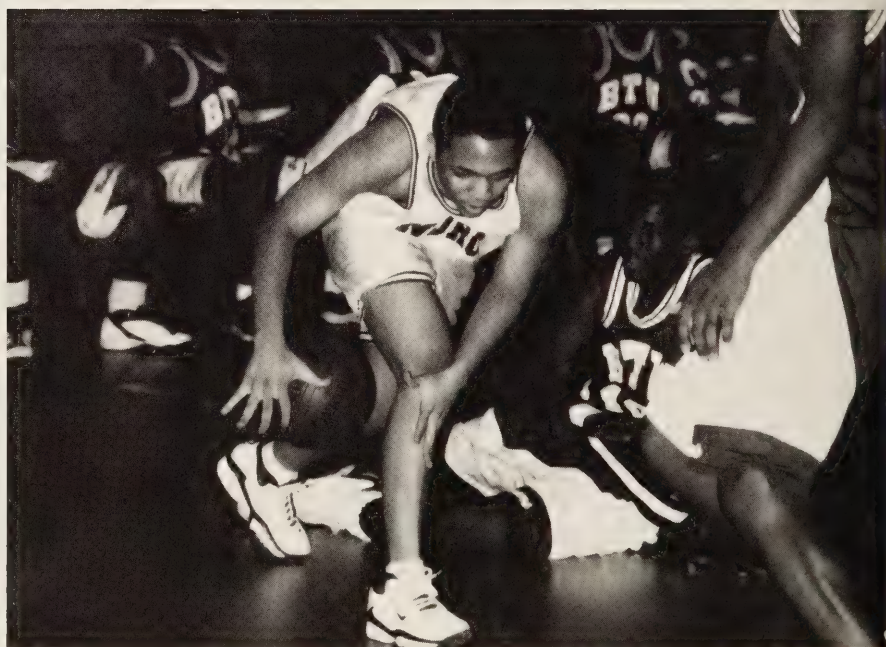

The 1999-2000 Girls Junior Varsity Basketball

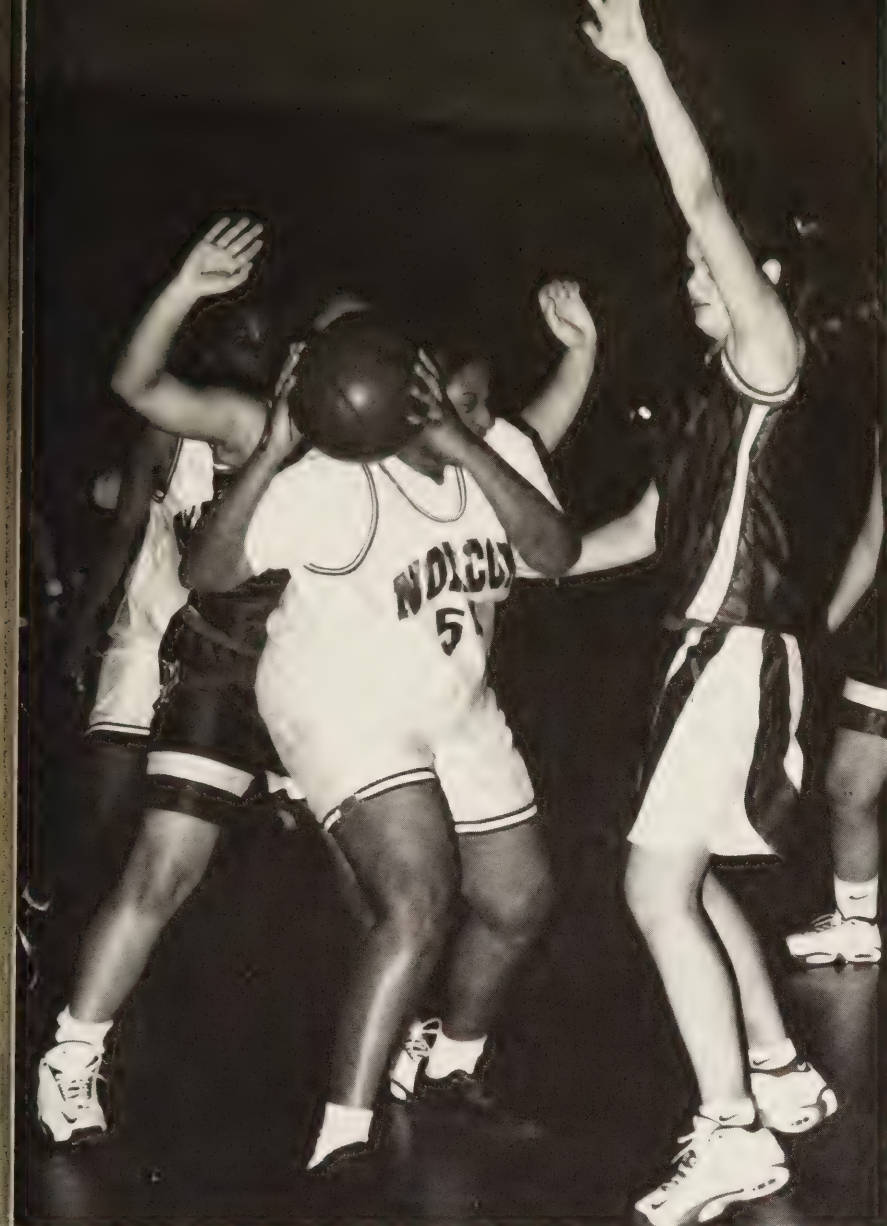

A hearty congratulations to the Girls JV team who are the Eastern District. These Greyhound Queens worked hard, and payday certainly came. Remarkable moves as number 25 shakes the Bookers.

Dominic's fascinating dribbling skills knock the Bookers on their feet.

Although the Commodore's waves have her temporarily "shipwrecked," Tiffany Cartwright holds tightly to her ball, refusing to go down in the fight.

Go Number 5,
Keep the game alive!

Jenee Saunders moves into Maury territory.
Her only weapon now is TEAMWORK!

Overcoming hurdles prepares our athletes to be the best that they can be.

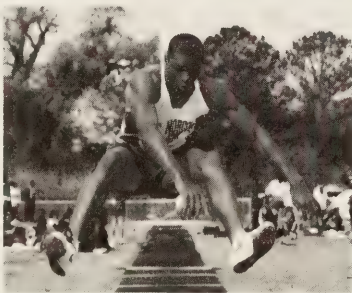

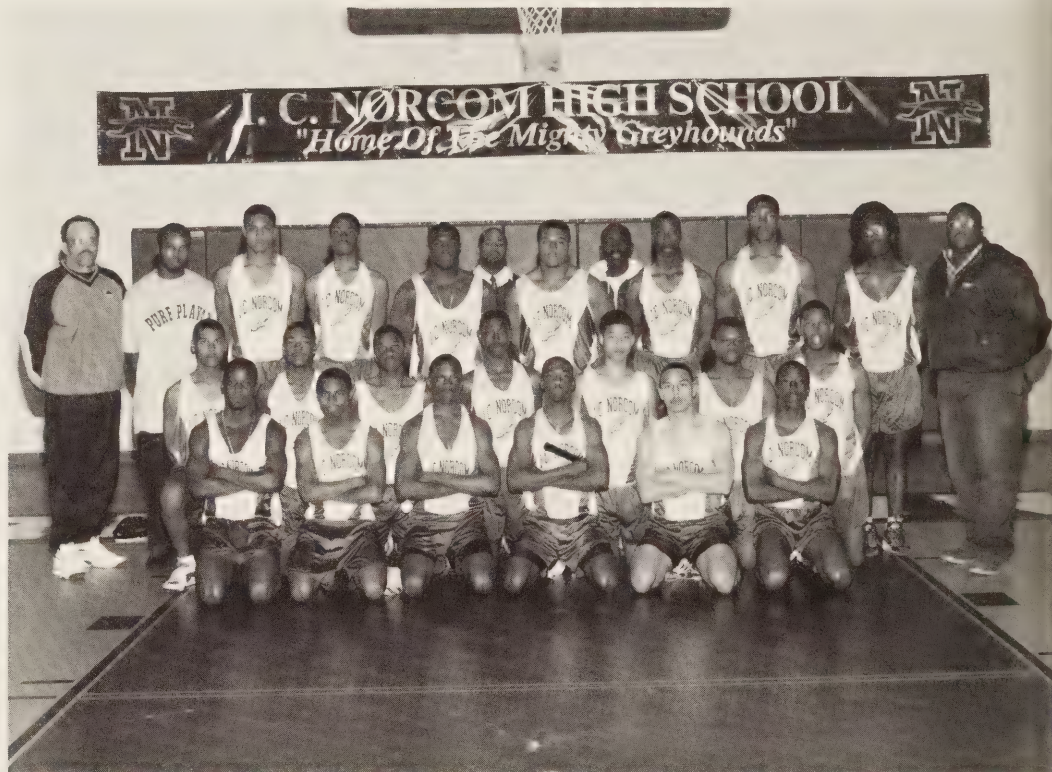

Boys Track and Field

The 1999 Boys Track team finished the season 6-1. They went on to become the Eastern District champions. Several members of the track team advanced to the Regional competition. In addition, both Matthew Punsalan and Ben Hull advanced to the State competition.

The 1999 Boys Track and Field Team

Antwan Coley styles and profiles as he dashes down the track. Don't go over the line, Coley!

Ben Hull catches the wind underneath him as he successfully completes his triple jump.

Eric Jones "huffs" and "puffs" as he finishes the race. Open your eyes, Eric!

Crossing the bar with ease is this Greyhound's perfection.

Lady Greyhounds let the competition know that the opponent's lead is short-lived.

Tia Hodges soars high above the sand in the long jump as the opposing teams look on.

Krystal Belfield grabs the baton from her teammate Nakia Goodman. Keep the lead!

Throwing the discus is this Lady Greyhound's specialty.

Girls Track and Field

The Girls track team, coached by Vincent Pugh, Oronde Andrews, Joe Langston, and Louis Moon, had a winning season in 1999. The ladies finished with a perfect record of 7-0. In the 3200 meter relay category, Nakia Goodman, Tinina Thompson, Sondrea Davis, and Krystal Belfield placed fifth and set a new school record of 10:07!

Maury watches as Salima races by!

Boys' coach Craig Hill lays out a plan for creating a victory.

Johnathan beats a Wilson player to the ball.

Lieshia Whitney throws the ball back in bounds to restart the game. Watch out fans!

Number 9 strives to hit a "homer."

MeMe Phelps wonders if she really hit the ball. Hmmm!

A great job for both teams!

Charles Crocker looks "pitcher" perfect as he prepares for the opponent.

Donte picks up the ground ball.

Willie attempts to make the tag at home plate.

From Where We Began

by Desirre Britt

Gah Gah and *Goo Goo* was all that we knew,
Girls loved pink, and boys adored blue.

Mommy and *Daddy* were the first words we said,
And we all had stuffed animals, with names like “Ted.”

Baby boys had khakis, and girls little dresses,
And everytime they turned around, we made all kinds of messes.

“Stride Rite” and “Weeboks” were shoes that we wore,
And whenever we fell, Mommy kissed what was sore.

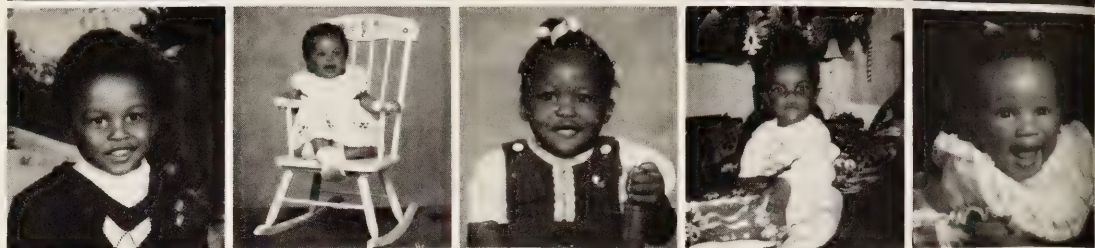

First we crawled, and now we stand,
Ready to face life, *hand-in-hand!!!!*
